ATTENTION: ALL DEALERS

The San Antonio Radio Fiesta is scheduled for Saturday, **January 13, 2018** at the **Schertz Civic Center**, 1400 Schertz Pkwy, Schertz, Texas.

As most of you know, the Civic Center offers a large floor space and tables in the exhibit hall. We will have a meeting area that will seat approximately 180 people, plus a room on site for VE testing. With four programs scheduled plus, the winter meeting of the Texas VHF Society (hopefully), we believe our attendance will increase.

**I know dealers are a key element in a successful hamfest.** We appreciate dealers who have supported us in previous years and look forward to your returning in 2018. **We are not changing our registration fees; dealer advance registration is at the flea market rate of \$10 per table.** Please note: **Due to the increasing numbers in our dealer tables, I cannot guarantee your placement on the floor but I will do my best to keep you in the same space.** I will do my best to accommodate all.

**We will have set up on Friday evening from 4 pm to 8:30 pm and Saturday morning from 6:30 to 8 am.** (NOTE: The center hopes to have earlier access for us. The advertised set up is 4 – 8:30 pm but I'm hoping to have dealer access by 2 PM. You can pick up all registration paperwork on Friday).

I hope you will complete the attached registration form and return it to us at your earliest convenience. Our website should have all necessary information by middle of November or a little earlier. See our webpage: <http://w5sc.org/>

**NOTE: I do need registration forms back to me so I will know how many tables I need to reserve for you. If you prefer to pay me when you arrive that is fine. I need to know you are coming no later than December 15.**
